○ Anna Leonowens Gallery gratefully acknowledges the support of the Canada Council For the Arts and the Nova Scotia Department of Tourism, Culture and Heritage for funding the Summer 2011 Artist-in-Residence exhibition series.

The **Anna Leonowens Gallery** is a public exhibition space and resource centre within NSCAD University and, as such, all of its programming is generated from within the University. The majority of the exhibitions are one-week long displays of NSCAD student work. The professional projects of contemporary studio and media art, craft and design by MFA students, faculty and visiting artists are usually 2 weeks in duration and are identified on this calendar as the tinted grey areas.

The **Port Loggia Gallery** is a dynamic exhibition, performance, and event space located at NSCAD University's Port Campus on Marginal Road.

Located at 1099 Marginal Road, **Seeds Gallery** is a unique shop showcasing a diverse range of original artwork by students and alumni of NSCAD University. Gallery shop hours are Wednesday - Friday, 11am - 5pm, Saturday 10am - 4pm and Sunday 12pm - 4pm.
